

Truthclub

8-10 October 2022

untitled likeminded dancers of colour

The truth is out here, in our bodies.
The truth is in there, in your body.

Truthclub does not aim to hold space,
Truthclub aims to hold time,
Truthclub is a place for time to slow down
as We share a slice of the chaotic and
alinear lived experience of being POC.

untitled likeminded dancers of colour 2022
